# The Meeting Dance

## Anon

The Maiden should lead. A man should place both hands on her waist, standing behind her, and alternate men and women do the same, the Maiden leading and they dance following her. She at last leads them into a right-hand spiral. When the center is reached (and this had better be marked by a stone) she suddenly turns round and dances back, kissing each man as she comes to him. All men and women turn likewise and dance back, men kissing

women and women kissing men. All in time to music, it is a merry game, but must be practiced to be done well. Note, the musician should watch the dancers and make the music fast or slow as is best. For the beginners it should be slow, or there will be confusion. It is most excellent to get people to know each other at big gatherings.
